

Raikowski Farm Meat CSA

Member signup sheet

Raikowski Farm continues to offer Monthly Meat boxes and also offers meat shares to coordinate with local Produce Shares.

This year we are partnering with **Field Notes Farm** who are offering their vegetable CSA with a drop site at The Market on Strongs.

If you'd like, coordinate a Raikowski Meat share with a produce share & pick them up at the same time – Wednesdays between 3:00 and 6:00

You can purchase either or both – either way pick them up at The Market on Strongs in Stevens Point. Call for more information if you would like!
